

Mill Creek High School

Hawks Cross Country

2022 Sponsorship Form

Summer 2022

Dear Business Leader:

I am writing this letter to serve as an introduction on behalf of the students and parents of the Mill Creek Cross Country Team. I am proud to introduce this amazing group of student-athletes. Last season, the girls finished 5th at County, placed 2nd at Region and 11th State. The boys team were Gwinnett County Champions, Region Champions, and State Champions! We are a team made up of over 100 runners and their families who are committed to the success of this program and the Mill Creek community, and I take pride in maintaining this outstanding Mill Creek High School sport.

Because it is necessary to supplement the allocated funds to properly operate, each year, participating athletes and their families call on local community businesses to ask for support. The student(s)/parent(s) representing our team will explain the sponsorship levels (see attached) and answer any questions you might have. If you would like clarification or additional information, I will be happy to speak with you at your convenience.

If you are unable to provide any type of sponsorship at this time, perhaps your business can provide donations in the form of gift certificates and/or products. These would be used for rewarding our athletes for their fundraising endeavors or incentives for special recognition of high mileage, practice attendance, and leadership.

I would like to extend our appreciation in advance for your consideration, generosity and dedication to our young student-athletes. Please do not hesitate to contact me at the email listed below with any questions.

Respectfully,

Andy Christie- MCHS XC Head Coach (coachchristiexc@gmail.com)
